

Completion Report: Awareness Session on Inclusive Education

Organized by: Student Union for Rohingya Development (SURD)

Overview

The **Awareness Session on Inclusive Education** was held on **16th and 17th September 2024** at **KRC Non-Formal Schools**, engaging **20 boys and 14 girls**. The initiative aimed to promote equality in education and ensure learning opportunities for all children, particularly within the Rohingya community.

Key Activities (The session included)

1. **Motivational Talks:** Inspiring students with the value of education and its role in shaping futures.
2. **Workshops:** Interactive discussions to build awareness of inclusive education practices.
3. **Sports Activities:** Engaging indoor games to foster teamwork, inclusion, and enthusiasm for learning.

Outcomes and Impact

1. The participants showed increased awareness of the importance of education.
2. Students expressed a strong motivation to continue their schooling and understood its long-term benefits.

Challenges Encountered

No major challenges were faced during the session. Minor logistical adjustments ensured the smooth implementation of activities.

Funding and Support

This session was funded by **SURD representatives** and the **Senior Citizen Body of the camp**, showcasing strong community collaboration in promoting education.

Future Plans

To sustain the momentum, SURD will engage parents to highlight the importance of regular school attendance and continued education for their children.

Acknowledgments

We extend our heartfelt thanks to

- ✓ The **students and participants** for their active engagement.
- ✓ The **Senior Citizen Body** and SURD representatives for their financial and moral support.
- ✓ The **community members** who inspired and encouraged this initiative.

SURD remains committed to fostering inclusive education and empowering young minds for a brighter future.
